Dear Mitchell,

afPE Quality Mark for Physical Education, School Sport and Physical Activity

Thank you for your application for the Quality Mark award.

The assessment panel has considered your application, together with the feedback from the validation, and afPE is delighted to award your school the **Quality Mark** for '**demonstrating good commitment to improvement in Physical Education, School Sport and Physical Activity**'.

Your award is valid for three years, commencing March 2025.

The validator has highlighted the following reasons for the award:

- The Headteacher is extremely supportive of Physical Education, School Sport and Physical Activity (PESSPA)
- The Physical Education subject leader is passionate about involving all children and is dedicated to improving the provision of PESSPA
- The curriculum plan and the organisation of teaching and learning is good.
- The range of after school clubs, and numbers of children attending, is incredible
- PESSPA is a valued area of the curriculum by the children and whole staff.

You will receive a certificate, and your school will also be listed on the afPE Quality Mark webpage. In addition, the Association will submit a report to the Department for Education (DfE) which will include details of the successful applicants. There is always a possibility that a representative from the DfE or Sport England may wish to visit your school.

On behalf of the Association, I would like to offer you our congratulations.

Yours sincerely,

Kate Thornton-Bousfield
afPE Chief Executive Officer
